POST STARTER CHEAT SHEET

Moses Gomes
LinkedIn Coach

A LinkedIn post starter is a phrase, sentence, or question that you use at the beginning of your LinkedIn post to grab the attention of your network and encourage them to engage with your content.

I got fired.

I quit.

I turned down [x] dollars

I lost everything.

I lost [x] dollars.

I gave up.

**We were on the brink of
failure.**

It was over.

My time was up.

My hands were shaking.

I couldn't believe it.

I wanted to cry.

**There had to be another
way.**

I clenched my fist.

**Someone has to say this
I want to be honest for
a second
I have to talk about this.
I hated it.
I ended the partnership.
They said no.
I never heard back from
them.
They laughed at me.
It hurt.
It sucked.
I want to be real for
a second.
It kills me to say this.**

I wanted it to be true.

I lost control.

I wanted more.

I couldn't see it.

It hurts to say this.

**I wish I didn't have to say
this.**

I wanted to stop.

I couldn't stop.

I broke down.

I couldn't handle it.

**It felt like a punch to the
gut.**

I tried.

**I put everything I had into
it.**

**I couldn't stand it.
I had to leave.
I couldn't handle it.
They laughed at me.
They stepped all over me.
It was brutal.
They forced me to do it.
They outsourced my job.
They told me to pick up my
things and leave.
I grit my teeth.
He/ She didn't even look at
me.**
