The screenshot shows the 'LinkedIn Summary Generator' web application. At the top, it says 'LinkedIn Summary Generator' and 'Create a professional, eye-catching LinkedIn summary in seconds'. Below this is a text input field labeled 'Describe yourself in a few words' with a placeholder 'Your Name, Location, Profession, Interests, Expertise, Hobby'. Underneath are two dropdown menus: 'Tone of voice' (set to 'Casual') and 'Your email' (with a placeholder 'Your email'). A blue button labeled 'Generate LinkedIn Summary' is positioned below these fields. At the bottom, there is a large empty text area labeled 'Your generated summary' with a small copy icon in the bottom right corner.
