Appeals against Examination Results

If a candidate has completed the Enquiry procedure and is still dissatisfied with the outcome, they may appeal against their examination result. They must submit an Appeal against Examination Results Application Form (which can be obtained by writing to us at sonal@sonalholland.com) within 10 working days of receiving the Enquiry

There is a fee associated with lodging an appeal, which is detailed on the form. Appeals received outside the published timeframe will not be considered.

All appeals will be assessed by the Chief Examiner and an Appeals Panel. WSET Awards will advise the candidate and Sonal Holland Wine Academy of any decision resulting from an appeal within 40 working days.

Where appeals are upheld WSET Awards will:

- → Amend the examination result accordingly;
- → Issue a new certificate free of charge (following return of the original certificate if appropriate);
- → Refund the fee in cases where an error was made by WSET Awards.

Where an appeal remains unresolved following the process outlined above, applicants may request that their case be submitted for final independent review. In such instances, all supporting documentation pertaining to the case will be submitted to an Independent Reviewer from a separate Ofqual-accredited awarding organisation.

Please contact WSET Awards for Appeal Fees.

2. Conflict of interest:

Sonal Holland Wine Academy is approved by WSET Awards which is subject to regulation by the UK Government's regulator, OfQual. On behalf of WSET, we are required to identify, monitor and manage all conflicts of interest which may have an adverse effect on the qualifications offered and thus we must take all reasonable steps to mitigate such adverse effect where it exists.

This document offers guidance to individuals engaged in activities undertaken on behalf of WSET Awards (the awarding organisation of the Wine & Spirit Education Trust) which have potential to lead them to act contrary to the interests of WSET Awards in the development, delivery, assessment and award of its regulated qualifications.

A conflict of interest exists where an individual has interests or loyalties that could adversely influence their judgement, objectivity or loyalty to WSET Awards when conducting activities associated with our qualifications.

Whilst it would be impossible to give a definitive list of scenarios representing potential conflicts of interest, the following have been identified from WSET Awards' Risk Management review as significant:

- The undertaking of any assessment of candidates by an individual who has a personal interest in the result of the assessment for any or all individuals concerned.
- The undertaking of any moderation of assessment of candidates by an individual who has a personal interest in the result of the assessment for any or all individuals concerned.
- The employment by an APP of individuals engaged in the delivery of taught programmes or in the role of Internal Assessor in another APP.

All instances of conflict of interest will be recorded in WSET Awards Incidents Register, including details of steps taken to mitigate any adverse effect resulting from such conflict of interest. The Director of WSET Awards is responsible for determining what action needs to be taken to mitigate any adverse effect and for deciding when and how matters relating to actual or potential conflicts of interest should be escalated within the Wine & Spirit Education Trust, to the Board of Trustees or to the Regulator, Ofqual.
