Ref. No: Invitation/AIGR dated 21th January 2023

Hi expert

Greetings from AIGR

I am pleased to inform you that a series of paid INTERNATIONAL WORKSHOP is going to be organized by AIGR on the online platform (ZOOM Integrated; Max 3 Hour/Session; Max 500 participates/Session) in collaboration with KNORISH from February onwards.

I am pleased to invite you as an Instructor in the International workshop as noted. We aim to provide the best service to the student in these upcoming workshops and the Instructor should ensure about (i) Live sessions through ZOOM, (ii) Question-Answer sessions for the students on What'sApp platform, (iii) Problem solving one to one sessions if required. Nevertheless, the honorable Instructor will have all the freedom about the Course Curriculum, even the course fee. The topic of the workshop may cover Research Methodologies, RS-GIS models, Statistical models, Machine Learning, Data Visualization by various Software, etc.

Nevertheless, we will assure the Instructor about *royalty-based income with high remuneration* as AIGR norms.

It will be highly appreciated if you go through and if satisfied, send me your confirmation through the mail.

In view of the above, the AGIR and KNORISH TEAM will be highly appreciated if you will be a part of this upcoming workshop (*vide supra*) and send us a confirmation letter.

Thank you.

[ P. Saha, MA (Geo), MA (Education.), MED  
DIRECTOR (AIGR)]
